Vacation Bible School

All Aboard God's Celebration Train

June 25 - 29, 2006, 6 - 8 PM

at Asbury United Methodist Church.

The kids will also take part in the Asbury's Saturday evening contemporary worship service on July 1st at 6 PM. Please contact Terry Van Wyk or church office if you have any questions.

A few ways of praying

1. Put your hands together and make a bowl-like vessel of them. Ask God to fill your entire being with the Holy Spirit. Expect to feel a powerful presence within yourself.

2. Pray in "radar" mode. Recall how radar works? A radar transmitter sends out electronic waves. When the waves hit an object, such as a boat, a building or a vehicle, they bounce back and appear on a monitor.

So, try praying by letting your mind/spirit send forth loving thoughts toward God and others. When you sense that there is a response within yourself, sit silently and enjoy what you feel.

3. As you travel in your car or go on a walk, look around to see what God may be trying to show you. A beggar, a handicapped person or children at play, for example. Send an arrow prayer toward God and say, "Heavenly Father, please let those people feel your presence and your power. And help me to do the loving thing toward them."

If you are walking in or near gardens or woods, look at the captivating beauty of flowers or trees or a flowing stream. Offer a prayer to God for the blessings of nature which lift up the human spirit. The more we appreciate the wonders of our fascinating world, the more we will sense the presence of God.

4. Spend time thinking about God's purpose for you. What do you think God's will for you is? Pray for empowerment and guidance in doing the will of God.
